

# DISTORTED DREAMS

Music & Lyrics & Arr: C. Karlsson, M. Lenngren, S. Hjellström, Browsing Collection

## *Verse 1:*

I struggled hard, but you placed obstacles in my way  
I tried to push myself into the stage my confidence belong  
But you don't want me to succeed, try to make my thing a failure  
It can't be hard to endure, I'm just an innocent that gonna go my own way

## *Chorus:*

You ain't gonna pull me down, I'm gonna sort this out  
I keep going in the right direction  
Ain't gonna break me down, I'm gonna fight you back  
I get stronger every move I make

## *Verse 2:*

Contending for my goal, balancing on the verge to fall  
With rivals disrespecting me I slip away from my destination  
But I will turn it to my gain, I will throw them to the ground  
I will make it all the way, I will live my distorted dreams
