

# HATERS GONNA HATE

Music & Lyrics: M. Lenngren, Browsing Collection

## Verse 1:

I don't like myself today  
I don't like my hair today  
I have been up all night long  
That's why I can't sing this song  
I don't like myself today      *(You don't do it any day)*  
I don't like my hair today      *(You don't fix it anyway)*  
I have been up all night long      *(You know well that that is wrong)*  
That's why I can't sing this song

## Chorus:

You're always complaining, beware of what you're saying  
It has gone too far, I don't know who you are  
There's no point in blame it on work, flow and that shit  
It has gone too far, I don't know who you are

## Verse 2:

I don't feel so good today  
I have really went astray  
I have slept 'til afternoon  
That's why I can't pitch in tune  
I don't feel so good today      *(You don't do it any day)*  
I have really went astray      *(At least attention you can pay)*  
I have slept 'til afternoon      *(You should really wake up soon)*  
That's why I can't pitch in tune
