

# OH, SWEET SIRE

*Music: M. Brander, C. Karlsson, M. Lenngren, N. Lenngren*

*Lyrics: M. Brander, M. Lenngren*

## **Verse 1:**

Even when I go to sleep  
They beat me up until I weep  
Tries to sell it in my face  
Actuates in highest pace  
Slowly seeping through my skin  
Cold and spiny, further in  
Takes a grasp around my brain  
Propagates it in my veins

## **Pre-Chorus:**

I won't let them see me cry  
Lay me down to testify  
All their work will soon be done  
Rising up when morning comes

## **Chorus:**

Oh sweet sire, call for my hand  
Father, bring me home  
Dear maker, law of the land  
Mister, forgive for I've sinned

## **Verse 2:**

Catch a scent across the field  
Will libido be revealed  
Heaven is a sinful touch  
Sanction is the only judge  
If you let them lead the way  
Here forever you will stay  
Put desires to the side  
Let the highest be your guide

## **Verse 3:**

Longing for the lushest life  
Fulfill my needs without a strife  
This is what they make me say  
To take with me down to my grave
